TAN SHI KAI

SUMMARY

Driven student seeking Data Scientist Internship to leverage analytical skills and knowledge in statistical modeling and machine learning. Communicates effectively and meets project deadlines while delivering innovative insights. Committed to learning from industry experts and advancing in a data science career.

EXPERIENCE

Online Tutor, 10/2024 - 10/2025
Clara - Johor - Johor Bahru, Malaysia

Substitute Teacher, 07/2025 - 09/2025
SJKC MING CHIHH - Johor - Johor Bahru, Malaysia

Assistant Cameraman, 05/2023 - 06/2023
Dreams Photography & Bridal - Johor , Malaysia

EDUCATION

Bachelor of Data Science, **Expected in 01/2027**
Universiti Malaya - Selangor, Malaysia

- currently CGPA 3.82(Deans Award)
- GPA: 3.83
- Y2S1 currently

Matriculation Certificate, **01/2024**
Kolej Matrikulasi Negeri Sembilan - Malaysia

- Pre-university program preparing for tertiary education in science/technical fields.
- GPA: 4.0CGPA

Malaysian Certificate of Education (SPM), **01/2023**
Maktab Sultan Abu Bakar(EC) - Malaysia

- Secondary school qualification awarded by the Malaysian Ministry of Education.
- GPA: 11 Straight As

ACTIVITIES AND HONOR

- **Kita Hack 2026** : Developed a recycling app focusing on Google AI Technologies integration related to SDG 4,12 (React.js, javascript)
- **Krackathon 2026** : Developed a Web app which can help on ensuring model based on GRAB datasets in optimizing GRAB order efficiency
- **Year 1 Final Project**: Student Portal, Built a Java-based student portal. Applied object-oriented programming (OOP) principles to ensure modular and scalable code.
- **Secondary School Final Project**: Swimming Competition Portal.Implemented front-end (HTML/CSS) and back-end (PHP) functionalities, including user authentication and database integration.
- **Johor State Coding Competition**: Silver Medalist, Awarded Silver Medal in a competitive state-level coding event, demonstrating problem-solving skills under time constraints., Python
- **UMGJ 2026 Vice Director**
- **Ketua Pengawas Disiplin**

PERSONAL INFORMATION

Address: Johor Bahru Johor
Phone: 0187621950
Email: skycode112324@gmail.com

SKILLS

- Data analysis
- Machine learning
- Python
- Java
- PHP & HTML
- Javascript
- React.js
- MySQL
- Microsoft Excel
- Google Cloud services
- CANVA
- MediBangPaint
- IBM SPSS
